I always fly with Star Alliance - Service card (12 years)
 Now frequent traveller
 (40 kg luggage)
 I would compensate
 to Munich and then to Istanbul with Lufthansa
 Here I took Turkish A. - it would have been
 too much of extra money to fly from Sofia
 to Munich and then to Istanbul with Lufthansa

Sofia (my studio)

Before the departure I am extremely nervous. my kids keep asking me: "are you nervous because of the exhibition?" "No, I don't think at all about the show! I think about the flight!" - I reply. The show in Kunsthaus Zurich - a solo project called: "Leftovers - a selection of my unsold pieces from the private galleries I work with" (Sept. 1 - Nov. 13.05) was not so bad but all my mind was in the next flights.

Again Turkish Airlines

The 2 pieces in Istanbul (the Biennale) were not so bad (quite nice) either, but again I was thinking about see the date! (with Boeing 737)
